Mr. Ron Rooker  
Ron's Painting  
Fort Myers, FL

Dear Ron,

It was such a pleasure working with you and your company. It was hard to believe when you left my home at 4:00 PM my walls looked fantastic and there were no telltale signs that a paint crew had been in my home all day long.

You arrived precisely when you said you would arrive , were extremely considerate and paid attention to every possible detail. In addition, there were no paint spots anywhere but where they were supposed to be ..... unbelievable !

I find myself looking around the house and saying, "what's next?" Thank you for providing me with such a positive experience and I will look forward to referring Ron's Painting to all my friends and neighbors.

Best regards,

Lee Knapp
