Dear Ron,

Thank you very much for the lovely Christmas centerpiece. It looked so nice in our Diningroom, especially with the beautiful new paint job.

And thank you and the two gentlemen who work for you for the good work you did for us. We are more than pleased with the job, and we were delighted with the quality of work and gracious behavior of you all. You and your crew are a

refreshing experience in this world of rip-offs and shoddy workmanship.

Our many heartfelt thanks to you and your men, and a very happy New Year to you all -
